Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449 and respectfully requests that the listed documents be considered by the Examiner and made of record in the above-captioned application. Unless otherwise indicated, a full text copy of each document is attached with an English translation or an equivalent English language patent or publication.

The referenced citations are listed in the accompanying Search Report, copy enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited document(s) do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

This Statement is being filed under §1.97(b) within three months of the filing date of the application, or before the first Office Action. Applicants do not believe that any fee is required in connection with the submission of this document. However, should any fee be required, the Commissioner is hereby authorized to charge any fees to Deposit Account 02-4377. Duplicate copies of this sheet are enclosed.

Respectfully submitted,

Manu J. Tejwani
